Our Mission is to prepare women and men for professional ministry in the Roman Catholic Church; for careers in theological education; and for living a life dedicated to solidarity with those on the margins of society and the Church, in the knowledge of Christian faith.

The Franciscan School of Theology is committed to embodying Franciscan theology in a religiously and culturally diverse world. In our living, our learning, our relationships, and our community, we address both the head and the heart by integrating the pastoral and academic dimensions of theological study.
