

## Prayer for Life

O God, our Creator, all life is in your hands from conception until death. Help us to cherish our children and to reverence the awesome privilege of our share in creation. May all people live and die in dignity and love. Bless all those who defend the rights of the unborn, the handicapped and the aged. Enlighten and be merciful toward those who fail to love, and give them peace. Let freedom be tempered by responsibility, integrity and morality.

## Culture of Life Ministry

All people are sacred, made in the image and likeness of God. People do not lose dignity because of disability, poverty, age, lack of success or race. This emphasizes people over things, being over having. The Catholic Church proclaims that human life is sacred and that the dignity of the human person is the foundation of a moral vision for society. Our belief in the sanctity of human life and the inherent dignity of the human person is the foundation of all the principles of our social teaching. (U.S. Catholic Bishops, 1999)

The Culture of Life Ministry promotes a renewed respect for human life. Our goal is to help parishioners understand

the issues and the importance of meeting the needs of those who are most vulnerable- especially mothers and their unborn children, and those who are seriously ill or dying and their families.
