

# Attention Parishioners of St Timothy's Catholic Church October 13th Project Mercy House Build

## *What do we do?*

With funds raised, we build a home for a very needy family in Mexico. We leave Escondido @ 5:30AM and return by 9PM. The slab is prepared and the materials are on site when we arrive. We build the complete (very simple) home complete with a loft, paint, windows, and an asphalt shingle roof in one day. If time permits, we will stop at a mission in Tecate on the way back to deliver donations and pray.

## *Who will we build for?*

The family has been selected by Project Mercy. Maria Torrez and her husband Jose Alberto. She is 30 and six months pregnant and diabetic. They live in a small shack made from odd pieces of wood and plastic sheeting, Their daughter Adilene is 4. Jose, earns around \$55 per week as a mason. They are eternally grateful that Project Mercy for the chance of getting a new home for their family.

## *How can you help?*

There are many ways that you can help.

- \*Volunteer to travel to Mexico and participate in the build
- \*Pray for the family we are building for and volunteers
- \*Contribute funds to St. Timothy Outreach
- \*Donate food or essentials listed below

## *Who can go?*

Provided we have enough drivers anyone can help. There are no special skills, experience, or tools required. We provide all of the tools and guidance needed. Participants must have a valid passport, and children must be accompanied with an adult.

***What should you bring?*** Passport, a sack lunch, gloves (optional), sunscreen, work clothes and money for dinner.

### ***What Donation items are helpful?***

Bagged rice and beans, Tupperware, blankets, towels, soaps and shampoo, socks, microwave cooking utensils. **New items only please to avoid trouble at the border crossing.**

### ***More Information***
